

## After the Service

- **Stay in your seat.**  
The pastor will dismiss you.
- **Take all items with you** including any bulletins and disposable items. Trash cans will be set out in the narthex.
- **Follow the instructions of the ushers** and exit the building while allowing for yourself and others to stay 6 feet apart.
- **Continue to wear your face covering until you are in the parking lot.**

These adjustments represent recommendations from our synod and decisions by our Church Council and Board of Deacons. While we recognize that they are not ideal, we ask everyone to peacefully follow them for the sake of having a meaningful worship experience. They do not remove all the risk of exposure but these steps will greatly limit the risk. We also understand that some may choose to refrain from attending physical worship at this time. We invite you to go to the church website to find a link to our digital worship on YouTube. Thank you in advance for your understanding.
